

PLATINUM
Sourcing & Services Ltd

Introduction

- ▶ Platinum Sourcing & Services Ltd (PSSL), a concern of FTI Group has started since 1st January 2022 to meet the global solutions to the needs of off-shore apparel, home textile, leather items & jute products sourcing for those Buyers who are seeking a dependable, reliable, experienced, state-of-the-art technology aware and modern fashion-conscious agency. PSSL has a strong manufacturing base with a range of it's associated Garments Factories equipped with sophisticated Spinning, Knitting, Weaving, Dyeing, finishing and wash facilities fully compliant as regards to UK, USA and European standard. Our corporate office is located in the capital city Dhaka, Bangladesh.

Objective

- ▶ PSSL offers a comprehensive buying, sourcing, product development, technical and quality services for all apparel, home textile, leather & jute products to the buyers/importers around the globe. It assures reasonable pricing, quality, quick turn-around, trust & transparency with world class services. It supports with requisite raw materials too from China, Taiwan, India, Thailand, Malaysia and local mills. Our goal is to be your most trusted and regarded partner in sourcing apparel, leather and jute products from Bangladesh.

Complete Sourcing Solution

(Apparel, Home Textiles,
Leather & Jute products)

- ▶ PSSL is engaged in marketing and production management for the factories around Dhaka, Narayanganj & Chittagong, not having direct access to the buyers. The job is accomplished with coordinated efforts among various sections like sourcing, product development, merchandising, sampling, quality control and shipping follow up under single roof.
- ▶ PSSL is a unit of FTi group, which endeavors to provide innovative products and creative services at competitive price to its valued clients. It guarantees the services, which is cost-effective and strictly matches to International Quality Standards.
- ▶ PSSL staffs are fully trained textile professionals, which enables them to respond to customer inquiries instantly and professionally. It has unrivalled facilities and is therefore structured to provide a unique professional service in handling International Customer requirements.

▶ Concern of FTi Group

Product Range

- ▶ PSSL offers an extensive sampling service and is able to develop any style or an extensive product range in a very short time with perfection and precision.

- ▶ PSSL offers designing, printing and embroidery services and can therefore supply finished products for promotion, corporate clothing, work wear and retail

- ▶ PSSL has wide product range, all of which are supplied to the highest quality standards but yet at competitive prices.

Step up with global customer need

- ▶ PSSL is controlling the quality performance Standard of each buyer so that they can comply with their ultimate customers' needs. PSSL is also maintaining an extensive "Quality Control" monitoring from yarn to product packing. PSSL and its associates are well aware of international health hazardous elements in apparel products. The outcome of it's factories are eco-friendly, confirm to AZO free and Oeko-tex Standard.

Competitive Prices

- ▶ PSSL is able to offer a world-class service at very competitive prices due to own & associated factories.

Raw Materials Sourcing

- PSSL. has it's effective Fabrics & material source in Shanghai, China. It can arrange any sort of quality Fabric & other materials from China at competitive price. It has local Management and staff there to look after the interests of vendors. Besides Platinum Sourcing & Services Ltd. has excellent connection with reputed local Fabric, leather & other raw materials suppliers in Bangladesh which ensures quality, competitive price and on time delivery.

Why Platinum Sourcing & Services Ltd.?

- ✓ Our quality assurance and production control systems help to avoid loss of sales by ensuring quality products for the customers always on time.
